February 9, 2015

Dear Parents,

Reading at home every night is part of your child's homework. **Every child should have read at least 100 books by now.**

Every morning, the students have a chance to change their books and to turn in their reading logs. Logs must be completely filled out (title, date, and parent signature) in order for them to count.

Remember that reading at home is important to help your child become a better reader!

Below you will find the number of books your child has read. Please sign the bottom portion below and return to school tomorrow.

Student _____

Number of books read _____

.....
Student name _____

Number of books read _____

Parent signature _____
