Franklin Learning Center (FLC) uses the Holt English series and Holt Algebra series for the English 1 through 4 courses and Algebra I and II courses. All ninth grades students are rostered to Environmental Science (Holt series) as a pre-course for biology, a Keystone tested subject. FLC offers 11 Advanced Placement courses for juniors and seniors, and Honors courses for English and mathematics. We have partnered with Arcadia University, providing our students the opportunity to take a dual enrollment college course each semester. Our teachers are evaluated using the Danielson model, with informal observations occurring for 5-10 teachers each week of the school year. Feedback is provided within 24 hours. Professional development on best practices are also provided, as needed, during our common planning and preparation period on Wednesdays.

2. Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed as it relates to the individual child's achievement. Specifically, those conferences will be held:
