

## Home Fire Escape Plan

Memorize your fire department's emergency phone number and write it here:

Use the space below to create your home fire escape plan.

- Draw a floor plan or a map of your home. Show all doors and windows.
- Mark two ways out of each room.
- Mark all of the smoke alarms with (a). Smoke alarms should be in each sleeping room, outside each sleeping area, and on every level of the home.
- Pick a family meeting place outside where everyone can meet.
- Remember, practice your plan at least twice a year!

Check out **www.sparky.org** for fire safety games and activities. Sparky® is a trademark of NFPA.

**Grown-ups:** Children don't always awake when the smoke alarm sounds. Know what your child will do before a fire occurs. Get more information on smoke alarms and escape planning at **www.nfpa.org/factsheets.**
