

Course Credit Distribution Requirements for a High School Diploma

Students shall graduate if he or she has earned a total of 23.5 credits, which include:

- 4 credits in English
- 3 credits in Mathematics
- 3 credits in Science
- 3 credits in Social Studies
- 1 credit in African American History
- 2 credits in World Language
- 2 credits in Arts and Humanities classes
- 1 credit in Physical Education
- 0.5 credit in Health
- 4 credits in electives

1 elective must be one of the following: Mathematics, Science, International Baccalaureate, or Advanced Placement courses. Special admission schools and other criteria-based schools or programs may already select the electives as a requirement in math, science or others.

- Completed a Multidisciplinary Project or a Service Learning Project successfully.

Credits for each subject or class are earned if a student passes the class with a D or above.
