

**School District of Philadelphia Integrated Literacy Model
Parent Survey—Spring 2016**

This survey is part of an evaluation of the School District of Philadelphia Integrated Literacy Model (ILM), an instructional program that is being implemented in all kindergarten, first-grade, and second-grade classrooms in your child’s school this year. As part of this evaluation, conducted by Metis Associates for the district, we are interested in learning about your awareness of and experiences with ILM this year. You do not have to complete the survey if you do not want to and may skip any questions that you do not wish to answer. Services received by you or your child will not be affected in any way if you skip questions or choose not to participate. However, we hope that you will participate.

This survey will take about 15 minutes to complete. Your responses will be kept confidential. If you have any questions about the survey, please contact Adrienne Reitano at the School District of Philadelphia at 215-400-6536 or areitano@philasd.org. Thank you!
