Dear Parent/Caregiver:

Thank you for requesting an Impartial Review of your child's application to attend a special admissions and/or citywide admission high school or high school outside of your neighborhood. A review panel convened to review your child's records and a determination made.

After a thorough and impartial review, the review panel was not able to recommend **your child** for admission to one of the special admission or citywide admission schools to which **he or she** applied because there is no space available.

Your child is assigned to _____. If you need additional information concerning your neighborhood or feeder pattern school, please contact the Office of Student Placement at 215-400-4290.

I wish **your child** a successful and rewarding high school experience.

Sincerely,

Paul Kihn
Deputy Superintendent
