

# Interim Report

October 14, 2015

Dear Parent(s)/Guardian(s) of \_\_\_\_\_,

Please look over your child's current progress for this report period. I have included your child's overall average for writing, math, and reading. The reading and math averages are made up of tests, quizzes, classwork, participation, and homework. The writing average is based on the PSSA writing rubric. Your child's reading level is NOT a part of this report. That level will be determined as a separate grade by using the Developmental Reading Assessment (DRA). If you have any questions, please contact me so that we can set up a time to talk. Please sign and return the bottom portion to school tomorrow. Thank you.

Sincerely,

*Mrs. McKeown*
