

Dear Parents or Guardians,

My name is Mrs. Strough and I am very excited to let you know that I will be your child's English as a second language teacher for the 2014-2015 school year. I want to extend to you and your child my warmest welcome into my classroom. This is my sixth year at Juniata Park academy and I really look forward to helping your child to grow as English language learners.

As an ESL teaching specialist your child will be receiving small group instruction every day to address your child's individual needs in speaking, listening, reading and writing the English language in order to become academically proficient. I will also be working with the classroom teacher to provide support in all subjects. I am really looking forward to this school year and if you have any questions or concerns please feel free to contact me at (215) 289-7929.

Thank you
Mrs. Strough
