

Will your child be ready for kindergarten?

Do these 10 things every day!

Help your child succeed in school

Being “ready” means more than counting and saying the alphabet

- Does your child know that the letters make sounds?
- Does she know that words are made of those letter sounds?
- He can count to 10, but does he understand “more than” and “less than”?

Talk with your child every chance you get!

1. Show him you are learning, too. Tell him what you learned today.
2. Encourage her to try something new and help her succeed.
3. At bedtime, read a story and discuss it. What was his favorite part? Why?
4. Walking around, look at signs and point out letters on them and the sounds they make.
5. Around the house, have her sort and arrange things like forks and spoons, coins, or laundry.
6. On the bus or at the store,

How is my child doing?
