Dear parents and guardians,

Our third graders are just about at the halfway point and on their way to becoming fourth graders. I am attaching a copy of our supply list. Many students are running low on supplies and need to replenish. Also, we are just about out of copy paper so please send in a ream of copy paper also. We have already gone through 4 1/2 boxes of paper and we are only 1/2 way there.

Sincerely,

Mrs. Lane
