

School District of Philadelphia

Instrumental Music Participation Contract

I, _____, understand that playing an instrument is a privilege and accept the following responsibilities as a member of the music program:

- To take proper care of the instrument I am assigned, and return it on the due date in the condition in which I received it.
- To practice at home at least 5 times per week (15-20 min.)
- To attend lessons every _____ prepared with my instrument and lesson materials.
- To make up any missed class work. (Your classroom teacher must be satisfied with your attendance, homework, class work, and behavior.)
- To participate in all concerts. A written and signed note from a parent/guardian is required in advance in order to be excused from a performance.

Failure to comply with the above guidelines will result in a deduction of points (and thus a negatively affected grade), and may result in dismissal from the orchestra program.
