

Dear Parents/Guardians:

It was a pleasure to meet all of you and your children last week. Hopefully having the opportunity to meet me and see their classroom will ease any fears that they might have about their first day of school. It was nice to see them excited and eager, and I am looking forward to a wonderful year!

Please take a moment to review the following information on Name Writing:

It is important that each child learns to write his/her name. Attached is a set of handouts where each child can trace the dots to learn how to write his/her name correctly. Please **make a master copy** for yourself prior to beginning the packet.

Have your child complete one side of one worksheet each night until he/she can write his/her name as it appears on the worksheet. If at the end of the 10 days your child still needs additional practice, you can use the master copy to make another packet.

****** When completed, please place the packet in your child's Daily Behavior Chart.**

If you have access to a computer, you may want to bookmark this site. The website I use to make these worksheets is www.kidzone.ws Once on the site you can click on *Language Arts*, and then click on *Tracer Pages*, then *Blank* (no pictures), and last, *Standard Block Print*. Type your child's name and follow the directions. It is a great website that can be used for any subject.

If you have any questions regarding this packet, please do not hesitate to contact me.

Thank you for your support in your child's education. 😊😊😊

Sincerely,
Mrs. Weiner
