Your child has been identified to receive this service in accordance with the eligibility criteria developed for your child's grade level. Instruction will be provided at your child's school by highly qualified Title I staff. Services will be provided during the regular school day or through an extended day program. Your child will be participating in the following program unless you indicate otherwise:

The Every Student Succeeds Act of 2015 is the largest federal aid to education program in the country. This Title I funding enables us to support your child's regular education program by providing supplemental instruction to students in the basic skills of reading and mathematics as well as English language support.

We look forward to working with you, your child's principal and regular education teacher in providing your child with a supportive educational program. For additional information regarding your child's participation in the Title I program, please contact your child's Title I teacher.
