Transition Planning Entering High School

Parent Preferences and Interest Form

Student's Name _____ Date _____

Directions: For each question, indicate your interests and preferences for your child. If you do not have a response for a particular question, leave it blank. Your responses reflect your preferences for your child. They do not imply placement or acceptance into a particular school or course of study.

1. What kind of course work would you like your child to study or take in high school?
2. What would you like your child to be doing after high school? If employment, what jobs are you considering? If post-secondary education or training, where are you considering?
3. Where would you like your child to live after high school?
4. What hobbies, extracurricular, and leisure activities do you hope he/she will participate in while attending high school?
5. Do you have any comments?
