

MCCLURE ELEMENTARY
Parent Survey

Please use the numbers 1 (high priority), 2, 3, 4 or 5 (lowest priority) to rank the importance of each of the following areas listed below in regard to the use of McClure's 2013-2014 and 2014-2015 budget funds:

- _____ Reduced class size
- _____ Academic interventions (Lexia, Reading Mastery, Direct Instruction)
- _____ Consumable student workbooks for reading and math
- _____ Hire school based teachers to provide professional development
- _____ Purchase computers for students to use in their classrooms
- _____ Purchase classroom library reading and math books for students
- _____ Additional instructional time for students (Extended Day Classes)

Please describe how you would like to see the Title I Parent Involvement funds used during this school year and next school year. What workshops or materials would help you to provide academic support to your child?

Please describe how you feel the school has progressed in the area of Parent Engagement this year. Please provide specific examples to support your response.
