Philly TechWeek **2014**

A Parent's Guide to Learning in the Digital Age

APRIL 10, 2014

The Parent's Guide to Learning in the Digital Age is a day-long institute focused on providing knowledge and digital resources to empower parents who work in our public schools. We will provide workshops on a series of topics relevant to increasing parent involvement in their children's education.

APRIL 10, 2014

9:00 am to 2:00am

**Education Center, 440 N. Broad Street
Educational Technology Labs, 1st Floor**

RESERVATIONS ARE REQUIRED

On-Line: _____

By Phone: _____

Please let us know if you need an interpreter.

WORKSHOP TOPICS:

- ❖ Enhancing your Home and School Digital Connection
- ❖ District Digital Resources to Help your Child Learn
- ❖ Think Before You Click: Internet Safety Tips for Parents
 - ❖ A Parent Guide to Social Media Tools
