PARENT RTII MEETING INVITATION

Date:

Dear Parent/Guardian of: _____,

Our school uses a problem-solving model called Response to Intervention and Instruction (RTII). RT II is based on a series of assessments and interventions used to help determine the nature of your child's academic/behavioral concerns and to develop an effective plan that will help increase his/her level of performance here at school. Our RTII Team meets on a regular basis to offer assistance to students, teachers and parents regarding student success.

The RTII Team is planning a conference to share with you our efforts to date, and to gain your input and support for your student's success here at school. Since you know your student best, your insights and participation are very important. We would like to review the accommodations and interventions used so far to determine if any additional assistance is needed to increase your student's performance.

Date:

Time :

Location: John Welsh School Office

We encourage you to make plans to attend this meeting. If you have any questions or need to reschedule, please do not hesitate to contact me. We look forward to working with you.

Sincerely,

Ms. Reddell

In response to the notification of the RTII committee meeting to discuss my student's academic success, I
