May 27, 2015

Dear Parents/Guardians,

As the school year comes to a close we realize that the best way for our students to maintain academic success is to be engaged all year around. This year as part of our Parent Engagement Initiative we will be sending home a Summer Bridge Activities Workbook for all students in grades K-7. It is our hope that you will work with your child this summer on the various activities within the workbook. Working with your child on these activities will help prepare them for the next grade and prevent “summer slide”. Each child will turn in their completed workbook to their new teacher in September.

This is a great opportunity to work with your child and keep them academically engaged throughout the summer vacation.

Happy Summer!

Brian Wallace
Principal

Erica Jones
School Based Teacher Leader
