

**School District of Philadelphia**  
**Solis-Cohen Elementary School**  
7001 Horrocks Streets  
Philadelphia, PA 19149

Please join us for a very special event on Thursday, February 25, 2016 at Solis-Cohen School from 3:30-5:30 pm. You will be able to choose up to 2 workshops to attend hosted by our wonderful teachers.

From the Kindergarten level in Room 106, Ms. Fitzgerald, sharing educational websites that can be used at home in addition to Lexia and First in Math.

**Bring your electronic tablet and/or electronic device from home!**

From the Kindergarten level in Room 103, Ms. Baumbach, will be offering a virtual your through the Reading Wonders Reading Series and become more familiar with all the resources available. **Bring your electronic tablet and/or electronic device from home!**

From the Kindergarten level in Room 104, Ms. Heller will be offering a virtual your through the Reading Wonders Reading Series and become more familiar with all the resources available. **Bring your electronic tablet and/or electronic device from home!**

From the 2<sup>nd</sup> grade level in Room 36, Ms. Dobisch, providing math resources for parents to take home to implement at home with their children. The math resources focus on strengthening math skills in an interactive way.

From the 2<sup>nd</sup> grade level in IMC, Ms. Buckley, presenting math interactive activities that families can do together at home. Each activity provides families with an instructional outcome to build math skills that will support students in preparing for the PSSA in April.

From the 3<sup>rd</sup> grade level, Ms. Nowak in Room 11 modeling literacy activities that enable families to interact while building literacy skills.

From the 3<sup>rd</sup> grade level, Ms. Martin in Room 12 modeling literacy activities that enable families to interact while building literacy skills

From the 4<sup>th</sup> grade level in Room 8, Ms. Yeck focusing on a Writing Workshop where families can interact while writing constructed responses.

From the 2-6<sup>th</sup> grade level, in the auditorium, Ms. Horner will focus on supporting English Language Learners and their families in Reading.

From the 3<sup>rd</sup>-6<sup>th</sup> grade levels in Room 1, Ms. Haag, Art Teacher will interact with families in an activity that enables them to create a print by carving a design into Styrofoam and other printmaking materials.

From the 3<sup>rd</sup>-6<sup>th</sup> grade levels in the Computer Lab, Ms. Reznik will present our new on line intervention Think Through Math for parents to access and learn how to support their

children at home more effectively and especially in preparation for the PSSA in April.  
**Bring your electronic tablet and/or electronic device from home!**

Please indicate on this letter with your circled choices and return by February 19, 2016.
